Alaska USA Insurance Brokers Awarded Fireman's Fund Firemark Program® Designation

Anchorage, Alaska – Alaska USA Insurance Brokers has been named to the 2014 Firemark Program for personal insurance by Fireman's Fund Insurance Company. This elite award recognizes top-performing independent insurance agencies and brokerages. Alaska USA Insurance Brokers is one of 124 finalists nationwide that earned a place in the program.

"Firemark status is the most prestigious designation our partner agents and brokers can achieve," said Kathleen Zortman, chief field executive for Fireman's Fund.

The program provides Alaska USA Insurance Brokers with special services designed to enhance support for their customers through dedicated claims representatives and exclusive education events. Alaska USA Insurance Brokers also earns the ability to direct a Fireman's Fund grant to a fire service organization of its choice. In 2013, Alaska USA Insurance Brokers directed a grant to the Anchorage Fire Department for camera equipment that provides a 360-degree view of a burning building.

Fireman's Fund is a premier property and casualty insurance company with industry leading claims and risk management solutions. Since 2004, the company has donated more than $20 million in grants to local fire service organizations across the United States as part of its commitment to safer communities.
