New Trust Officer Joins Alaska USA Trust Company

Anchorage, Alaska - Alaska USA Trust Company is pleased to welcome Leanna D. Dreher as a Trust Officer. Dreher's responsibilities will include interacting with attorneys, financial planners, insurance agents and other professionals involved in establishing personal trusts as well as the administration of all types of trusts.

Dreher received her law degree from the Santa Barbara College of Law in Santa Barbara, California. She has more than 10 years of experience in business and estate planning in Alaska, and a total of more than 25 years of general legal experience, including the areas of real estate and insurance services. Dreher has also participated in presentations of probate and estate planning seminars to the legal community.

"Ms. Dreher's legal background and extensive experience in estate planning and business law enhances our ability to provide flexible and professional fiduciary services for Alaska Trusts, Irrevocable Life Insurance Trusts, and other types of complex trusts," said Glenn W. Cipriano, President. "Ms. Dreher joins our Senior Trust Officer, Janet K. Tempel, a former estate planning attorney with more than 20 years of legal experience, to better meet the growing demand for these types of trusts."

More About Alaska USA Trust Company

Alaska USA Trust Company provides a range of trustee services, from limited administrative services to full trustee services. These services meet the varying needs of grantors, both within and outside the State of Alaska. The company currently has more than $6 billion in assets under administration. In addition to trustee services for individuals, Alaska USA Trust Company also provides investment management services for individuals, organizations, and entities, as well as institutional investment and custody services for public units, corporations, and financial institutions.
