Alaska USA Platinum Credit Card

✓ Low, fixed rate ✓ Travel and merchandise rewards ✓ No annual fee with Alaska USA checking

The Alaska USA Platinum Credit Card offers convenience and worldwide spending power – plus ScoreCard® travel and merchandise rewards points. With a low, fixed rate and higher credit limits, it's a great addition to your wallet.

Everyday purchases earn you rewards

Earn one ScoreCard reward point for every dollar spent in retail purchases on your credit card. Use your points for:

- Travel to destinations around the world. Redeem your points for airline tickets, hotel stays, rental car certificates, cruises, and vacation packages.

  Visit alaskausa.org/visa to preview travel rewards and find out how to earn and redeem travel reward points.
- Merchandise – You can choose from hundreds of brand name items from the ScoreCard online catalog. You'll find furniture, electronics, toys, sporting goods, and more. Plus, shipping is free!

Additional benefits

- Low minimum payments
- Free travel accident insurance of $500,000
- Online statement viewing and payment options

Smart chip technology

Use your card at any location that accepts Visa® credit cards – at millions of retailers and ATMs in over 150 countries worldwide.

When using a chip and signature card abroad, insert your card into the card reader face up with the chip end first. Follow the prompts to complete your purchase. A receipt will print – sign it and keep the copy.

If you're planning to travel to a foreign country, please call the Member Service Center at (800) 525-9094. Letting Alaska USA know your travel plans will help to ensure you can make purchases with ease and confidence while outside of the U.S.

Apple Pay

Alaska USA Platinum Credit Cards are available for use with Apple Pay™. Apple Pay is a service offered by Apple Inc. that allows members to pay in an easy, secure, and private way at hundreds of thousands of stores.

Make balance transfers easily

Once you get your new card, just call Alaska USA and transfer another credit card balance to it ($500 minimum balance transfer). You won't earn reward points on the transfer, but you could save money with a lower rate.

Great low, fixed rates

- Annual Percentage Rate (APR) for purchases, balance transfers, and cash advances is 10.5%, 12.5%, or 14.5%, based on past credit history
- Grace period for purchases – You have 25 days to repay your balance for purchases before being charged a finance charge
- The balance calculation method for purchases is the average daily balance (including new transactions)

Low fees save you money

- Annual fee – $50, but the fee is waived for Alaska USA checking account holders
- No minimum finance charge
- Transaction fee for cash advances – 2% of the cash advance amount ($10 maximum). Cash advances incur a finance charge immediately.
- Late payment fee – 5% of minimum payment due ($1 minimum)
- Balance transfer fee – $10 per transfer
- No fee for foreign transactions
