Alaska USA Foundation contributes over \$62,000 to local non-profits

Anchorage, Alaska – The Alaska USA Foundation announced in its 2010 annual report that it has contributed \$62,200 as of fiscal year-end to local non-profit groups. Recipients included Armed Services YMCA of Alaska, The Children's Lunchbox, Community School Collaboration, Stand Down, Inc., and Children's Miracle Network.

Alaska USA Foundation raises funds through membership, donations, and with calendar sales. Alaska USA Federal Credit Union provides fundraising and administrative support to the Foundation.

The Alaska USA Foundation was established in 2003 to raise funds for 501(c)(3) charitable organizations that provide needs-based services to children, veterans, and active duty members of the armed services and their families. Since its inception, the Foundation has distributed over \$650,000 to these organizations and is honored to assist those that provide direct services in support of its mission.
