Alaska USA Insurance adds expanded home and auto coverage for Alaskans

Alaska USA Insurance Brokers recently started offering the Ohio Casualty Group (OCG) home and auto insurance products in Alaska. This new line of Ohio Casualty personal insurance products allows Alaska USA Insurance Brokers to offer more insurance options to customers.

“OCG personal insurance coverage is a great new option offered exclusively in Alaska by Alaska USA Insurance Brokers,” said Randy Pugh, President of Alaska USA Insurance Brokers. “More options mean greater competition, more solutions, and lower prices for consumers.”

Alaska USA Insurance Brokers is the first broker to offer OCG home and auto coverage in Alaska. OCG is ranked among the top 50 property and casualty insurance companies in the United States.

Alaska USA Insurance Brokers, the largest independent brokerage headquartered in Alaska, was founded in 1986 as a subsidiary of Alaska USA Federal Credit Union. Insurance coverage is available for businesses and individuals throughout Alaska, including commercial risk solutions, liability, homeowners, auto, boat, life, health and employee benefits.
