Alaska USA expands branch network in Anchorage

Anchorage, Alaska – Alaska USA Federal Credit Union has opened a new branch and mortgage office on West Abbott Road in Anchorage.

The West Abbott branch, located at 8745 Hartzell Road near Home Depot, opened March 5 with a ribbon cutting by Mayor Dan Sullivan. The branch offers a full range of credit union services, including a 24-hour ATM, a Self-Service Center, and drive-through service. It is open to serve members six days a week, Monday through Saturday. The building also includes a new Alaska USA Mortgage office to provide home loan and real estate services.

“The credit union’s goal is to provide members with service, value, and convenience. The new West Abbott branch provides added convenience to Alaska USA’s growing membership in the Anchorage area,” said Bill Eckhardt, President.

Alaska USA now operates 17 branches in the Anchorage area. The credit union also operates a family of financial service companies, including Alaska USA Mortgage Company, Alaska USA Insurance Brokers, Alaska USA Title Agency, and Alaska USA Trust Company.
