Alaska USA Insurance Brokers to Acquire InsuranceMart

Anchorage, Alaska—Alaska USA Insurance Brokers, has entered into a definitive agreement to acquire InsuranceMart, a locally-owned insurance brokerage in Alaska.

Established in 1995, InsuranceMart has locations in Anchorage and Wasilla. The firm services a book of personal (home, auto, boat) insurance for clients throughout South Central Alaska. David Benezra, President and owner of InsuranceMart said, "Combining InsuranceMart and Alaska USA resources and talent, along with expanded access to insurance markets, will provide advantages to the clients of both organizations."

"The commitment to quality products, excellent local service, and professionalism are values we share with InsuranceMart." said Randy Pugh, President of Alaska USA Insurance Brokers.

InsuranceMart office locations will be integrated into Alaska USA Insurance Brokers offices in Anchorage and Wasilla effective December 1. No staffing changes will occur as a result of the acquisition.

Alaska USA Insurance Brokers was established in 1986 as a subsidiary of Alaska USA Federal Credit Union. The credit union was chartered in 1948 and is a member-owned, not-for-profit financial cooperative with 52 branches throughout Alaska and in Western Washington. It has nearly 315,000 members across Alaska, the nation and overseas. Other credit union subsidiaries include Alaska USA Mortgage Company and Alaska USA Trust Company.
