CUNA Mutual Group selects Alaska USA's corporate credit card platform

Anchorage, Alaska – Alaska USA Federal Credit Union is pleased to announce that its PurchaseOne program has been selected by CUNA Mutual Group to provide corporate purchasing cards and vendor payments.

PurchaseOne allows organizations to earn revenue from purchasing card and vendor payments, while also streamlining the accounts payable process and eliminating employee paper expense reports. PurchaseOne is the only credit union-owned electronic card payment solution.

“CUNA Mutual Group is proud of our long-standing relationship with Alaska USA Federal Credit Union,” said Alastair Shore, Executive Vice President and Chief Financial Officer of CUNA Mutual. “For decades, we have worked together in a mutually beneficial way. By using the Alaska USA corporate credit card program, our employees will have access to a strong program that offers the latest mobile features while meeting our stringent security requirements. Plus, it is backed by an outstanding financial institution.”

Bill Eckhardt, President of Alaska USA, said, “We are looking forward to the expanded relationship with CUNA Mutual Group and are proud to provide an excellent credit union-owned product in a field dominated by large banks.”

More about Alaska USA

Alaska USA Federal Credit Union is a member-owned, not-for-profit financial cooperative with \$5.6 billion in assets and more than half a million members worldwide. The credit union operates 68 branches throughout Alaska, California, and Washington.

More about CUNA Mutual Group
