### **Alaska USA ranked among top 10 Alaska companies**

Anchorage, Alaska – Alaska USA Federal Credit Union has been ranked ninth on the list of top 49 Alaska-owned businesses. The Top 49ers list, which reflects Alaska's admission as the 49<sup>th</sup> state, is published annually by *Alaska Business Monthly* magazine, which surveys Alaska companies to determine gross revenue for the previous year, number of employees (total and in-state), headquarters location, top executive, business activities, subsidiaries, and any recent notable achievements.

To qualify, a company must be at least 51 percent Alaska-owned, and headquartered in the state. Alaska USA moved up one spot from 2013, when it was ranked tenth. Among this year's top 10 companies, Alaska USA was one of two non-native corporations, and it maintains the largest percentage of workforce based in the state.
