Members Making Change drive raises more than \$36,000

Anchorage, Alaska – The Alaska USA Foundation launched the first annual Members Making Change donation drive, online and in Alaska USA Federal Credit Union branches, during the month of June. The drive raised over \$36,000 in donations from Alaska USA’s generous members. The collected funds will be used to assist nonprofit organizations that provide programs for children, veterans, and active duty members of the military and their families.

“Alaska USA members have shown enthusiastic support for the Alaska USA Foundation with their generous contributions,” said Dan McCue, Alaska USA Federal Credit Union Senior Vice President, Corporate Administration.
