**Anchorage, Alaska** – The Alaska USA Foundation has donated \$7,500 to the American Diabetes Association of Alaska. The donation will help to expand services to the children in Alaska living with Type 1 and Type 2 Diabetes. “The American Diabetes Association reaches across Alaska to include families of all geographic locations and ethnicity. Our connection to the military helps dependents and retired veterans who face the challenges of diabetes. Alaska USA Foundation’s partnership helps us fulfill our mission: to cure and prevent diabetes and to improve the lives of all people affected by diabetes.” Said Michelle Cassano, Executive Director, American Diabetes Association of Alaska.
