Alaska USA Foundation gives \$5,000 to the California State University, San Bernardino Veterans Success Center

San Bernardino, California – Alaska USA Foundation has donated \$5,000 to the California State University, San Bernardino Veterans Success Center to support student veterans and service members as they further their education.

Alaska USA’s donation will be used to sponsor several important events for veterans and their families, including Military Appreciation Night, a Memorial Day ceremony, and Family Thanksgiving. The events help military students and their families feel socially connected to each other and the University.

“The Veterans Success Center provides a dedicated campus space and support of the veterans and service members attending classes ,” said Dan McCue, Executive Director, Alaska USA Foundation. “Alaska USA’s donation will help the Center continue its mission to ensure veterans and service members succeed in their educational goals.”
