Alaska USA Foundation gives \$10,000 to the Children's Miracle Network

Seattle, Washington – Alaska USA Foundation has donated \$10,000 to the Children's Miracle Network.

Alaska USA's donation will support research and training, equipment purchases, and uncompensated care in Children's Miracle Network hospitals. These hospitals facilitate 32 million patient visits for 10 million kids every year.

"Every day Children's Miracle Network hospitals treat 16,000 children in emergency rooms, which can create a great deal of financial hardship for many families," said Dan McCue, Executive Director, Alaska USA Foundation. "This donation will help provide these children with much needed medical care."
