### **Alaska USA to expand branch network into Eastern Washington**

**Spokane, Washington** – Alaska USA Federal Credit Union will be expanding into the Spokane area with three new branches.

The three Spokane branches will be opening on May 23, 2016 and include the Northwest branch at 2507 W. Wellesley Ave., South Hill branch at E. 2509 29th Ave., and University District branch at E. 933 Mission Ave. All are located inside Safeway stores.

“We are excited to open our first branches in Spokane” said Brian Wolf, Chief Operations Officer. “These three new locations are a logical extension of Alaska USA’s network of 30 branches already open in Washington, as we look to provide service, value and convenience to our members in the Spokane area. These new locations will also enable us to show potential members the benefits of belonging to Alaska USA.”

The Spokane branches will offer a full range of credit union services, including checking and savings accounts, consumer loans, and credit cards. The branches will be open seven days a week and most holidays. Hours are 10 a.m. to 7 p.m. Monday through Friday, 10 a.m. to 6 p.m. Saturdays, and 11 a.m. to 3 p.m. on Sundays.
