### **Alaska USA Federal Credit Union appoints new executive positions**

**Anchorage, Alaska** – Alaska USA Federal Credit Union has appointed three individuals to fill executive positions within the organization.

John Cassidy has been selected to fill the position of Chief Financial Officer. Cassidy brings over 25 years of executive-level financial institution experience, including positions as President and Chief Executive Officer, as well as Chief Financial Officer of a corporate credit union. Most recently he was the President and CEO of a credit union service organization.

David Vanzant has been selected to fill the position of Vice President, Enterprise Security. Vanzant has over 20 years of experience in physical and information security, stemming from a career as special agent for the Federal Bureau of Investigation.

Shawn Brume has been selected to fill the position of Senior Vice President, Information Management Governance. Previously, Brume spent 17 years with IBM in the Tape Storage division and has been an active participant of the Storage Networking Industry Association and the Linear Tape-Open Program throughout his IT career.
