Alaska USA Foundation gives \$22,500 to support children's programs in Alaska

Anchorage, Alaska – Alaska USA Foundation has donated \$15,000 to Big Brothers Big Sisters of Alaska, \$5,000 to the Children's Miracle Network in support of the Children's Hospital at Providence, and \$2,500 to Kids' Corps, Inc.

"Children are often the most vulnerable members in our communities," said Dan McCue, Executive Director, Alaska USA Foundation. "It's our hope that these organizations can help them navigate rough spots in their life by providing friendship, education, positive attention, and vital medical care."

About the Alaska USA Foundation

The Alaska USA Foundation was established in 2003 to support 501(c)(3) charitable organizations that provide needs-based services to children, veterans, and active duty members of the military and their families. Since its inception, the Foundation has distributed over \$1.5 million to these organizations and is honored to assist those that provide direct services in support of its mission.
