Alaska USA announces opening of new title agency

Anchorage, Alaska—Alaska USA is pleased to announce the newest addition to its family of financial service companies, Alaska USA Title Agency, LLC. The agency officially opened for business on July 1 and joins three other credit union service organizations – Alaska USA Insurance Brokers, Alaska USA Mortgage Company, and Alaska USA Trust Company.

Alaska USA Title Agency provides title insurance, escrow closing services, and other real property transaction services throughout Alaska. Any individual or business performing real estate transactions can obtain title services from Alaska USA Title Agency.

The title agency opens with an experienced staff who have decades of title and real estate industry expertise. This expertise complements Alaska USA's more than 30 years of experience in mortgage and real estate lending.

The Alaska USA Title Agency office is located in the Anchorage Financial Center at 500 W. 36th Avenue in Anchorage, and the phone number is 646-6498 or (877) 646-6498.

More about Alaska USA and its family of financial service companies

Alaska USA Federal Credit Union is a member-owned, not-for-profit financial cooperative with more than 315,000 members worldwide. The credit union was chartered in 1948 and has 52 branches in Alaska and Washington, many open seven days a week.

Alaska USA Mortgage Company provides a full range of mortgage products to Alaska and Washington residents. It has offices in Anchorage, Eagle River, Palmer, Wasilla, Fairbanks, Juneau, Homer, Soldotna, and Kenai, as well as Federal Way and Oak Harbor in Washington.

Alaska USA Insurance Brokers is the largest independent brokerage headquartered in

Alaska. Insurance coverage is available for businesses and individuals, including commercial risk solutions, liability, homeowners, auto, boat, life, health and employee benefits.

Alaska USA also offers commercial loan and deposit services to businesses throughout Alaska; as well as trustee services, investment management, and institutional trust services through its subsidiary, Alaska USA Trust Company. For more information, visit www.alaskausa.org.
