## **Alaska USA Federal Credit Union partners with Tacoma Rainiers**

*Three-year sponsorship to support local team, stadium, and fans*

**Tacoma, WA** – Today, Alaska USA Federal Credit Union proudly announced its partnership with the Tacoma Rainiers Triple-A baseball team and Cheney Stadium as a major sponsor of one of the area's most popular sports and community events venues.

“As a member- and community-driven credit union, we’re always looking at ways to create local partnerships where we have aligned values—and this was perfect.” said Chad Meadows, Alaska USA Federal Credit Union’s Executive Director of Retail Financial Services.

“We were all in agreement about the match, and excited for the chance to support a local gathering place for friends and families in Tacoma,” said Cindy Fry, Vice President, Branch Administration, Pacific Northwest.

“We look forward to helping Alaska USA Federal Credit Union’s growth in Tacoma. It’s a cool city and we’re happy to gain the support of an enthusiastic local credit union,” said Aaron Artman, Rainiers Team President. “Our interactions with their management team as we worked through the details of this partnership have been fantastic, and when great people from great companies decide to work together, great things happen.”

Aside from a highly visible brand presence at Cheney Stadium and Tacoma Rainiers games, fans and Alaska USA members will have some special surprises to look forward to over the coming seasons.
