### **Alaska USA Insurance Brokers earns multiple awards for performance**

**Anchorage, Alaska** – Alaska USA Insurance Brokers has received performance-based recognition from a number of their Insurance Company Partners. These include the Umialik Circle of Excellence and Personal Lines Agency of the Year Awards, Safeco Chairman’s Award for Top Performance, and the Progressive Premier Partner award.

Umialik Insurance Company’s Circle of Excellence award places Alaska USA in the 95th percentile of all Umialik partners for overall performance, growth, and partnership over the past six years. We are proud to also have been selected as their 2017 Personal Lines Agency of the Year.

To be considered for the Safeco Chairman’s Award, agencies must have earned the right to be in the prestigious Safeco Premier Partner Program, given to fewer than 10 percent of the independent insurance agencies nationwide that sell Safeco personal line products. From these, only 40 awards were given this year across the country to the top performing Independent Insurance Agencies.

Progressive Insurance’s Premier Partner award is given to insurance brokers that have shown exceptional knowledge and performance with Progressive Insurance products.

“It’s a great honor to receive these company recognition awards,” said Julia Niziolek, President, Alaska USA Insurance Brokers. “Our team works hard to make Alaska USA Insurance Brokers a leader in the industry, and they show an unwavering commitment to providing our clients the best service possible.”
