Members Making Change drive raises more than \$101,000

ANCHORAGE, AK – The Alaska USA Foundation launched the fourth annual Members Making Change donation drive, both online and in Alaska USA Federal Credit Union branches.

The drive raised more than \$101,000 from the generous donations of Alaska USA members and employees. This was the first year Alaska USA employees joined in the fundraising efforts through a voluntary payroll deduction, donating \$48,654 of the total raised. The Alaska USA Foundation will use the collected funds to assist nonprofit organizations that provide needs-based programs that benefit children, veterans, and active duty military and their families in the communities the credit union serves.

“This year Alaska USA members and employees established a new record for the Members Making Change campaign,” said Dan McCue, Executive Director, Alaska USA Foundation. “Their commitment to helping those in need continues to astound the Alaska USA Foundation.”

More About Alaska USA Foundation

Celebrating its fifteenth year, The Alaska USA Foundation was established to support 501(c)(3) charitable organizations that provide needs-based services to children, veterans, and active duty members of the military and their families. Since its inception, the Foundation has distributed over \$1.8 million to these organizations and is honored to assist those that provide direct services in support of its mission.
