**Alaska USA Foundation Donates to Nonprofit Providing Support to Military and Veterans
Operation Homefront Receives \$20,000**

ANCHORAGE, Alaska — The Alaska USA Foundation has made it a priority to assist nonprofit organizations who provide needs-based services and in particular, services to veterans and military personnel and their family. In support of this, a \$20,000 donation was made to Operation Homefront’s Critical Financial Assistance Program. These funds will be allocated equally in Alaska, Arizona, California, and Washington so Operation Homefront can provide direct assistance to military families in need.

For more than 15 years, Operation Homefront has provided programs that offer: Relief (through critical financial assistance and transitional housing programs), Resiliency (through permanent housing and caregiver support services) and Recurring Family Support programs and services throughout the year that help military families overcome the short-term bumps in the road, so they don’t become long-term chronic problems.

“The Alaska USA Foundation is pleased to partner with Operation Homefront and assist in the efforts to provide services that allow our military personnel a stable and secure homelife. By partnering with Operation Homefront, we are providing servicemembers and their families the assistance they need as they are called to duty within the military or transitioning back to civilian life,” said Alaska USA Foundation Executive Director Dan McCue.

More About Alaska USA Foundation
