Member STORIES

"I've been a member for quite a while, starting back in the '90s when I joined to support Alaska businesses. Alaska USA has turned out to be the best financial institution I've ever worked with. Transactions are easy and stress-free, and the online account management is especially convenient. If you have questions or special circumstances, the customer service folks are informed, perceptive and efficient. You really can't do better than Alaska USA."

2018 ELECTION INFORMATION

The Alaska USA Federal Credit Union Nominating Committee is accepting letters of interest from members who wish to become candidates in 2017 for positions available on the Board of Directors. Credit union officials serve in an unpaid volunteer capacity and must be available to attend monthly meetings.

Positions available: Board of Directors – 2 three-year term positions

In accordance with the credit union's bylaws, it is the duty of the Nominating Committee to nominate at least one member for each vacancy on the Board of Directors. The Committee nominates members they consider qualified and who represent the membership and membership areas served. They attempt to have a cross-sectional representation of the membership, avoiding concentrations by any one membership area, organization, employer, rank, grade, or other common denominator.

Members who submit letters of interest should include their full name, account number, current address, phone number, qualifications, and any related experience.

Letters should be addressed to:

Nominating Committee
Alaska USA Federal Credit Union
P.O. Box 196613
Anchorage, Alaska 99519-6613

Letters of interest must be received no later than August 25, 2017. Names and qualifications of candidates nominated will be published in the Fall issue of the Journal, with information regarding the petition method of candidacy. Ballots will be mailed to members in April 2018, and the election results will be announced at the 2018 Annual Meeting.
