Digital wallet

Alaska USA Visa Credit Cards are available for use with Apple Pay™, Android Pay™, and Samsung Pay™. Each digital wallet service allows members to pay in an easy, secure, and private way at hundreds of thousands of stores worldwide and online.

Make balance transfers easily

Once you get your new card, call Alaska USA and transfer another credit card balance to it (\$500 minimum balance transfer). You won't earn reward points on the transfer, but you could save money with a lower rate.

Great low, fixed rates

- Annual Percentage Rate (APR) for purchases, balance transfers, and cash advances is 10.5%, 12.5%, or 14.5%, based on past credit history
- Grace period for purchases—You have 25 days to repay your balance for purchases before being charged a finance charge
- The balance calculation method for purchases is the average daily balance (including new transactions)

Low fees save you money

- \$50 annual fee is waived for Alaska USA checking account holders
- No minimum finance charge
- Transaction fee for cash advances/balance transfers—2% of the cash advance/balance transfer amount (\$10 maximum). Cash advances incur a finance charge immediately.
- Late payment fee—5% of minimum payment due (\$1 minimum)
- No fee for foreign transactions
